

ARVEST Solid Fund CHF

Data as per 31.03.2026

Fund Portrait

The ARVEST Solid Fund CHF is a bond fund investing primarily in debt securities and issued by first-class borrowers. An independent and disciplined research process is the foundation of an active and flexible investment policy.

Investment Target

The main investment objective is to achieve an appropriate long-term return by investing in bonds worldwide. Due account shall be taken of the principle of risk diversification and preservation of the value of the funds assets. In order to avoid losses caused by major setbacks in the bond markets the fund manager can increase the funds cash holdings. A performance oriented fee structure with low basic fees motivates the fund management to achieve - in the interest of the investor - a continuous and absolute positive return.

Investment Period

The fund is suitable for investors with an investment horizon of three or more years. The achievement of the investment objectives cannot be guaranteed.
